

NINE HATS WINES

Tasting Room Protocols

When Visiting

- All Nine Hats staff will be following state guidelines of standard health protocols.
- Tasting appointments are encouraged in advance to ensure we can accommodate you.
- Masks are to be worn by all guests until seated, as well as when visiting the restroom.
- Groups will be limited to 5 guests or less.
- Club allocations may be picked up during your tasting room visit or via curbside pick-up.
- Occupancy will be limited to 25% capacity.
- Guests displaying symptoms are asked to rest up and return another time.

Our Team

- Training on proper cleaning, hand washing, distancing etiquette and posting best hygiene practices will be conducted and monitored.
- Hand washing will be required before entering the tasting room and regularly throughout shifts.
- We will maintain 6 feet of separation from other individuals when possible.
- Face masks have been provided and will be worn by our employees.
- All areas in use will be regularly cleaned and disinfected.
- Hand sanitizer, disinfecting wipes, soap and water will be available to employees and customers
